About a Registration Procedure

- The students should fill the Course Registration Form and then they should get the professors' stamps.
- The students should choose two major fields of study:
 - Major Subject I: One which students belong to when they enter the doctoral course
 - Major Subject II or Minor Subject I: One from the Department of all of major fields.
- The students should bring the registration form to the Administration Office
from May 1, 2025 to May 19, 2025.
