What is Mamamayan at Pamilya Laban sa Droga (MAPALAD) program?

Program name meaning: Citizens and Families Against Drugs in Tagalog.

Objective: To reintegrate into the community the persons who have fallen victims of illegal drug abuse.

Implemented by: DAPCO (as leading agency), Social Service Division, City Health Office.

Supported by: 5 agencies listed in the above figure,

+ 9 Barangay Anti-Drug Abuse Councils, Muntinlupa Philippine National Police.

Partnership with: The Association of Born Again Christians of Muntinlupa,

International Evangelical Church of Alabang, and Christ's Commission Fellowship.

Program overview:

One-Stop Shop for screening and processing (2 waves for each barangay in 2016)

The aim is to determine the appropriate intervention to be given to each surrenderee. It includes 5 steps:

- 1) Reception by BADAC,
- 2) Screening by Social Services Division,
- 3) Assessment by Social Services Division,
- 4) Processing by DAPCO,
- 5) Drug Dependency Examination by City Health Office.

Based on Substance Use Severity Index (11 criteria for diagnosis of substance use disorder in DSM5), the surrenderees are divided into 3 groups: **Mild**, **Moderate**, and **Severe** dependence.

For Surrenderees with Mild & Moderate Dependence

- At least 3-month participation in the modality groups. There are 3 different modalities:
