

**"Center for Medical Transformation (CMX) short-term dispatch/invitation program  
for international collaborative research"  
Application Guidelines for FY2023**

1. Aim

To promote international collaborative research, which is one of the missions of the Center for Medical Transformation (hereinafter referred to as "CMX"), the CMX will provide partial funding for travel expenses to send abroad or invite abroad outstanding young researchers who are capable of leading the future of CMX and conducting advanced research.

2. Eligibility for subsidy

(1) Expenses to be covered by the fund

Travel expenses for exchanging ideas and acquiring technology in preparation for international collaborative research at CMX. However, this excludes travel to attend and present at international conferences, and others held overseas.

(2) Candidate

- Dispatched researchers: Those researchers with an employment relationship with Kobe University and with a recommendation by their PIs who belongs to CMX
- Invited Overseas Researcher: Those researchers and doctoral students from overseas research institutions who have the approval of CMX member PI from the host laboratory.

(3) Amount

Approximately 500,000 yen

(4) Duration

In principle, one to two weeks until the beginning of March 2024.

3. Application deadline

Tuesday, August 22, 2023, 5:00 p.m.

4. Number of subsidies

Up to six

5. How to apply

Please send the following documents by e-mail to the Research Support Division [k9shien@med.kobe-u.ac.jp](mailto:k9shien@med.kobe-u.ac.jp).

(1) Dispatch

Application Form (Form 1)

Documents describing the background of the collaborative research and its contents.

Documents certifying the consent of the host researcher (the PI) (e.g., e-mail or other means of communication stating the permission of the host researcher)

Itinerary (tentative)

(2) Invitation

Application form (Form 2)

Documents describing the background of the international joint research and its content

Documents certifying the consent of the host researcher (or the PI) (e.g., e-mail and the like., stating the permission of the host researcher)

Itinerary (tentative)
