

Information for patients undergoing Ankle Arthroplasty

Please read “Hospitalization Guide” pages 1 and 2, “Things to Bring for Your Hospitalization” and prepare items on the list.

Please prepare the following items by the day before your surgery

- Bath Towels – 2
- T-Shaped Bandage or Tape-Type Diaper - 1
- Bendy Straw and cup - 1
- Shower Cover – 1

• **250 yen including tax**

• **229 yen including tax**

• **1320yen including tax**

※ These are available at the FamilyMart on the 1st floor

You may purchase listed items in advance and bring them with you upon admission, or you may purchase them at the FamilyMart on the 1st floor of the hospital after admission.

The number of items may differ depending on your postoperative condition.

If additional items are needed, the staff will let you know.
