

Information for patients undergoing Total Hip Arthroplasty

Please read "Hospitalization Guide" pages 1 and 2, "Things to Bring for Your Hospitalization" and prepare items on the list.

Please prepare the following items by the day before your surgery

- Bath Towels - 2
- T-Shaped Bandage or Tape-Type Diaper - 1
- Bendy Straw and cup - 1

※The following items are not necessary but they may be **useful** after your surgery.

- Long Handle Bath Brush (1,650 yen including tax)
- Shoehorn (330 yen including tax),
- Grabber (Reaching Tool) (1650 yen including tax)

This is useful when you wash your feet in the shower

• 250 yen including tax

• 229 yen including tax

• 1,650 yen including tax

※ These are available at the FamilyMart on the 1st floor

You may purchase listed items in advance and bring them with you upon admission, or you may purchase them at the FamilyMart on the 1st floor of the hospital after admission.

The number of items may differ depending on your postoperative condition.

If additional items are needed, the staff will let you know.
